AFRICAN WORKSHOP

Ghanaian							
I found the workshop enjoyable	Discovered new info	Able to express my opinion about photos and views freely		Encouraged me to think about Ghana and its history	Now want to visit museum, archive	Inspired me to learn more/	OTHER COMMENTS
Y	Y	YY		Y	N	Y	People should be more punctual People with same interests could be put together Film of Ghana's independence could have been shown
Y	Y	YY		Y	Y	Y	Excellent and very interesting project - well done
Y	Y	YY		Y	Y	Y	We need such a forum to exchange ideas and create a common front for developing sense of pan-Africanism which our pioneers like Dr Kwame Nkrumah, Jomo Kentata (etc) left for us
Y	Y	YY		Y	Y	Y	Very good session Please let us have more of these pictures to buy to enjoy them in our homes
Y	Y	YY		Y	Y	Y	More workshops and an invitation to the opening to elder and young Ghanaians or Africans to explore and enjoy the history of Africa and cruel treatment of Blackman by the whitemen.
Y	Y	YY		Y	Y	Y	I am privileged to be part of this workshop as we have to be able to continue what Dr Kwame Nkrumah and others started for our motherland and the entire continent of Africa to gain their own life – wisdom and dignity for generation to generation.
Y	Y	YY		Y	Y	Y	My suggestion is for everyone to bring

							our ideas and talent to help and bring a strong nation and help our younger generation know about their heritage
Y	Y	YY		Y	Y	Y	It is very enjoyable and I am glad I am able to attend. I think we should let our people know about this and they will be able to contribute to this
Y	Y	YY		Y	Y	Y	This workshop has been an eye opener for me as regards some important and voluntary work being undertaken by Ghanaians to educate and expose our culture and heritage to young Ghanaians born in UK after independence
